Provision for International Students Report

School Name: Christchurch Boys' High School

Profile Number: 327

Location: Christchurch

Background

The Education Review Office reviews schools that are signatories to the *Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021* established under section 534 of the Education and Training Act 2020.

Findings

The school is a signatory to the *Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021* established under section 534 of the Education and Training Act 2020. The school has attested that it complies with all aspects of the Code and has completed an annual self review of its implementation of the Code.

At the time of this review there were 54 international students attending the school.

The school has good quality processes for reviewing its provision of pastoral care and compliance with the *Code*. These include sound monitoring processes for knowing about students' progress and achievement and wellbeing at school and in their homestay accommodation.

International students are effectively supported to settle on arrival through a range of planned orientation activities that help them to learn about school routines and the wider Christchurch context. Learning programmes, including English language learning opportunities, are well matched to students' goals and aspirations. They are well supported to fully participate in the many cultural and other activities on offer and take up meaningful student leadership roles.

The school's strategic planning for the international student programme is closely aligned with the vision and values. The Board receives good quality reporting to know about outcomes for students and the quality of provision.
