Football's back and I think I speak on behalf of everyone involved with the Stallions in saying how great that is! Nobody could have predicted how this season/year would pan out with so much happening across the country and world, however, it seems we're coming out the other side and everyone involved with the Stallions couldn't be happier.

It has been great having so many juniors, youth and senior players back training and playing on Foster Park since moving into Level 2.

We restart our MPL campaign following two close 2-1 losses prior to lockdown, by welcoming Nomads out to Foster Park. I'd like to welcome head coach Andy Pitman, his players, club officials and supporters to what I'm sure will be a great game of football.

The players have worked tirelessly in training to get themselves back to being as ready as possible for Saturday's game, everyone is itching to get going and start getting points on the board! I'd like to say thank you now to everyone that comes out to Foster Park to enjoy the game!

# Reserves Talk

With  
Khalil Gerbeaux

After a long pre-season followed by an extended break and another much shorter pre-season, the Reserves team are rearing to jump out of the gates as we host Nomads United at Foster Park for round 1 of the MPL Reserves League!

Welcome to Simon and his team for what should be a really good encounter.

The reserves league is always an interesting one. Our first priority as a reserve team is always to support our MPL 1<sup>st</sup> team and provide depth in their squad when needed. However as a team we also want to perform well in our own league, and through our performances allow individual players to naturally shine and show they deserve opportunities to play with the 1<sup>st</sup> team.

This year we have a really good blend of experienced heads and young talent coming through and a squad consisting of over 120 1<sup>st</sup> team appearances, which makes for a really exciting season. I see us causing teams in our league a lot of trouble with our fearsome frontline, which has goals written all over it (a common Selwyn United trait!).

We have already seen some of our Under 17 players have the opportunity to step up to the reserves and show they are prepared to step up to that level. We have also seen some of our progressing reserves players get opportunities with the 1<sup>st</sup> team already this season and for me that is what a reserves team is all about, making the link between youth and 1<sup>st</sup> team football and helping provide a development pathway where our players can flourish.

Wishing all teams the best of luck this weekend as we finally get the season underway, and I look forward to seeing you all back at the Pedal Pusher for the after-match!

**KG**
