

Pool Operations Assistant

We are seeking reliable team members to help open and close our community/school pool. This role is vital for maintaining our standard operating hours. Without support, we will have to reduce pool hours on Thursdays and Fridays.

The Role

Days: Thursdays and Fridays (with the potential to expand up to 5 days per week).

Morning Shift (6:30 am Start): Remove pool covers, open up, and hose down the pool deck and changing rooms.

Evening Shift (8:00 pm Close / 8:30 pm in Jan & Feb): Secure the facility and replace the pool covers.

Time Commitment: Approximately 2 hours total per day worked.

Flexible Options

Paid Position: 2 hours per day for the full shift schedule.

Volunteer Roster: Flexible shifts. Even committing to a single morning or evening a week makes a huge difference.

Help us keep the pool running smoothly for everyone this season.

Interested? Please contact Kylie on kscott@eohs.school.nz to join the roster or learn more.
