Principal's Welcome

Greetings,

My name is Steve Hart, and it is my privilege to welcome you to St Thomas of Canterbury College.

Choosing the right school is one of the most important decisions a family can make for their son. For international students, it is the beginning of an exciting journey filled with hope, opportunity, and expectation.

Our students come from diverse cultures, backgrounds, and experiences, yet they are united by a shared sense of belonging and purpose. Every young man who joins St Thomas becomes part of a community where he is known, valued, and supported.

I wish you every success as you choose the right school for your son. I hope his journey to New Zealand is filled with the type of opportunities that help him become the very best version of himself.

Kind regards,

Steve Hart
