INTERNATIONAL STUDENT APPLICATION FORM AND CONTRACT OF ENROLMENT PRIMARY AND INTERMEDIATE SCHOOL

PART ONE: APPLICATION FORM - Completed via Enroller our online enrolment system.

Notes:

1. It is important that all relevant information about the student is included in this application. This information is used to ensure that the student is supported properly upon arrival and while enrolled, and to match them with suitable Homestays, teachers, and courses. Where information is included relating to health issues or learning needs, disclosure of this information will not automatically disqualify the Student from Enrolment. However, failure to disclose information or providing misleading information may result in the withdrawal of an Offer of Place and termination of a Contract of Enrolment.

17. The Student must maintain an up-to-date visa as stipulated by Immigration New Zealand.
18. The Parents agree that it is a condition of enrolment that the Student has current and comprehensive travel and medical insurance. Where insurance is not arranged by the School, the Parents will provide the School with evidence of the relevant insurance policy. If appropriate evidence is not provided, the School may organise insurance it considers appropriate and pass on this cost to the Parents or may refuse to allow the student to attend classes until appropriate evidence of insurance is provided.
19. The Parents agree they have read the policy details for the Student's travel insurance policy and any other relevant information provided by the insurer from time to time and:

For avoidance of doubt, the obligation to disclose information continues during the term of this Agreement and the Parents must notify the School of any changing conditions in relation to the Student.

Investigation Policy (Schedule Two)

- The following is the School's current policy for dealing with Disciplinary Actions and Welfare Issues. This is not intended to restrict the School's general powers relating to discipline and this policy may be changed from time to time at the discretion of the School.

Overview

- Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage investigation process (the Investigation Process).
- In Stage One, the School will investigate and determine the facts of the situation being considered (**the Situation**), and will reach a conclusion on what happened and whether there is a Welfare Issue or an incident that requires Disciplinary Action or the termination of the Agreement.
- During Stage One of the Investigation Process, the Parent and the Student will have an opportunity to provide a response to any subject matter being investigated or to any allegation made concerning the Situation.
- In Stage Two, if the School has determined some response is required, the School will consider the appropriate outcome for the Situation, up to and including termination of the Agreement.
- During Stage Two of the Investigation Process, the Parent and Student will have an opportunity to provide a response to the Situation and any proposed outcome that the School is considering taking (**the Proposed Action**).

7. This policy does not limit the School's power to take appropriate action urgently and without following the Investigation Process if this is necessary having regard to the seriousness of the Situation. Such a determination may be made at any point during the Investigation Process.
8. This policy also does not limit the School's power to require the student not to attend School for the duration of the Investigation Process where this is considered necessary for the safety or education of any person.

General Policy

9. When the School is conducting an investigation involving the Student it will endeavour to provide the Parent and the Student (where appropriate) with the following:
 - (a) a written summary of the Situation (as it understands it) or the Proposed Action;
 - (b) an opportunity to respond to the Situation or the Proposed Action, either in person or in writing or both, at the choice of the Parent and/or the Student (where appropriate);
 - (c) an opportunity to consider the Situation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Situation or the Proposed Action) before giving a response;
 - (d) an opportunity to have an independent support person of his or her choice present at any meeting relating to the Investigation Process;
 - (e) an opportunity to have an independent support person of the parents' choice present at any meeting relating to the Investigation Process;
 - (f) an opportunity to have a translator present (or otherwise facilitate the Parent and the student participating in the Investigation Process in his or her own language) during any meeting or process if the School or the Parent and the Student (where appropriate) considers that a language barrier means that a translator is required; and
 - (g) a copy of this policy setting out the rights which the Student has when engaging in the Investigation Process.

Stage One: Incident Investigation

10. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a Disciplinary Action or which may constitute a Welfare Issue, the School will notify the Parent of the Situation and will provide the Parent and the Student with an opportunity to give a response.
11. Where appropriate, having regard to the seriousness of the Situation, the Parent and the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Parent and the Student. The School will receive this response and give it genuine consideration before making a decision about the Situation.
12. When the School makes a decision about the Situation it will advise the Parent, in writing if possible, about its conclusion as to what happened and whether it considers that it requires some kind of formal response – whether Disciplinary Action, Termination or other intervention.

Stage Two: Outcome Discussion

13. If the School determines that a formal response is required, it will advise the Parent of the possible actions that it will consider taking in response to the Situation and will provide the Parents and the Student (where appropriate) with an opportunity to give a response.
14. Where appropriate, having regard to the seriousness of the Situation, the Parent and the Student (where appropriate) will have the opportunity to respond either in person or in writing or both, at the choice of the Parent. The School will receive this response and give it genuine consideration before making a decision about the action to be taken.
15. When the School makes a decision about the action that it will take in response to the Situation it will advise the Parents of its decision, in writing if possible. The action will not take effect, and no actions will be taken to put it into place, until the Parents have been advised of the decision.

 - d. The name of the person requesting the refund;
 - e. The name of the person who paid the fees;
 - f. The bank account details to receive any eligible refund including bank address and swift code where relevant; and
 - g. Any relevant supporting documentation such as receipts or invoice.

Non-Refundable Fees

3. The School is unable to refund some fees. The following fees relate to expenses that the School may have paid or will incur as a result of receiving an application for enrolment and cannot be refunded:
 - a. **Administration Fee:** Administration fees meet the cost of processing an international student application. Administration fees exist whether an application is accepted or not or whether a Student remains enrolled after an application is accepted.
 - b. **Insurance:** Once insurance is purchased, the School is unable to refund insurance premiums paid on behalf of a student. Students and Parents may apply directly to an insurance company for a refund of premiums paid.
 - c. **Homestay Placement Fee:** Homestay placement fees meet the cost of processing a request for Homestay accommodation by the student. Costs incurred for arranging Homestay accommodation for the Student prior to the refund request cannot be refunded.
 - d. **Used Homestay Fees:** Homestay fees paid for time the Student has already spent in a Homestay cannot be refunded. Used Homestay fees may also include a notice period of two weeks.
 - e. **Portion of Unused Tuition Fees:** The School may retain a portion of unused tuition fees. Amounts retained will relate to costs that have been incurred or committed by the School and may vary.

Requests for a refund for failure to obtain a study visa

4. If the Student fails to obtain an appropriate visa, a refund of international student tuition fees will be provided less any non-refundable fee that has been paid. Evidence must be provided to the school of Immigration New Zealand declining to grant a visa.

Requests for a refund for enrolment of one term or less:

5. Where the Student is enrolled for one term or less and withdraws early, either before or after the start date of enrolment, other than where they have failed to obtain an appropriate visa and have provided evidence of this, there will be no refund of tuition fees or other relevant non-refundable fees.
6. Where the School terminates the enrolment of a Student enrolled for one term or less, there will be no refund of tuition fees, or other relevant non-refundable fees.

Requests for a refund for voluntary withdrawal from enrolment of more than one term:

7. If the Student voluntarily withdraws **21 days or more before the start date of enrolment**, a refund will be provided less any non-refundable fees as outlined in this policy. The 21 days will be counted from the day after the School receives written notice of the Student's intention to withdraw from enrolment.

8. If the Student voluntarily withdraws **less than 21 days before the start date of enrolment**, other than where they have failed to obtain an appropriate visa and have provided evidence of this, a refund will be provided less a minimum of 10 weeks' tuition fees and any other relevant non-refundable fees as outlined in this policy. The 21 days will be counted from the day after the School receives written notice of the Student's intention to withdraw from enrolment.
9. If a Student voluntarily withdraws after enrolment has commenced, a minimum of 10 tuition weeks' notice is required. The notice period will begin the day after the School receives written notice of the Student's intention to withdraw from enrolment and the student may continue to attend school during the notice period. The notice period does not include weeks that fall during scheduled school holidays. In the event that less than 10 weeks' notice is given, refunds may be calculated based on the refund that would have been due if the termination had taken place 10 weeks after notice was given.

Requests for a refund where the School fails to provide a course, ceases as a signatory, or ceases to be a provider:

10. If the School fails to provide the agreed course of education or is no longer a signatory to the Code or no longer operates as an international education provider, the School will negotiate with the Student or their family to either:
 - a. Refund the unused portion of international student tuition fees or other fees paid for services not delivered, or
 - b. Transfer the amount of any eligible refund to another provider, or
 - c. Make other arrangements agreed to by the Student or their family and the School.
11. For the avoidance of doubt, this clause does not apply where the format of the education provided by the School changes (for example delivery by remote learning), and the School continues to offer education for international students.

Other circumstances where a refund request may be considered:

Where a student's enrolment is ended by the School

12. In the event the Student's enrolment is ended by the School for a breach of the contract of enrolment or as a consequence of a Welfare Issue, then the School will consider a request for a refund less:
 - a. Any non-refundable fees set out in this policy;
 - b. A minimum of ten weeks tuition fees from the date of termination; and
 - c. Any other reasonable costs that the School has incurred in ending the Student's enrolment

Where a Student changes to a domestic student during the period of enrolment

13. If a Student changes to a domestic student after enrolment has commenced, this contract will be treated as being terminated on the date that the School is advised of this change of status. The student will be treated as having voluntarily terminated the Agreement on this date and any refund will be calculated accordingly. The Student will be treated as having given no prior notice for the purposes of cl 9 of this policy, unless the Student has previously advised the School in writing of the Student's intention to apply to Immigration New Zealand for a visa that will result in a change of status. In the event that notice of an intended change in status is given, the period after this notice is given will be counted as part of the notice period for the purpose of cl 9.

Where a Student voluntarily requests to transfer to another signatory

14. If a Student requests to transfer to another signatory after the commencement of their enrolment, a minimum of 10 tuition weeks of prior notice is required. This notice period does not include weeks that fall during scheduled school holidays. The notice period will begin the day after the School receives written notice that the Student requests to transfer to another signatory. Where less than 10 weeks' notice is given, any refund may be calculated based on the refund that would have been due if the termination had taken place 10 weeks after notice was given.

Requests for a refund of Homestay fees

15. If for any reason, the Student withdraws after their stay in a School Homestay, any unused Homestay fees will be refunded, less any relevant non-refundable fees set out in this policy.
16. Where the Student moves from a School Homestay and requests a refund of any unused homestay fees, these will be refunded less any non-refundable fees set out in this policy.

Requests for a refund of fees unused at the end of enrolment

17. Except by written request from a Student or their Parent, prepaid fees unused at the end of enrolment amounting to less than NZD\$500 will be refunded to the Student in cash. Sums greater than NZD\$500 will be refunded into a nominated bank account.

Outstanding activity fees or other fees

18. Any activity or other fees incurred by the Student during enrolment and owed to the School at the time of withdrawal, will be deducted from any eligible refund.

Refunds to be made to the country of receipt

19. Unless otherwise agreed in writing, all eligible refunds of fees of NZD\$1,000 or more received from outside of New Zealand will be refunded to the bank account (in the source country) from which the funds were originally transferred.

Rights of families after a decision regarding a refund has been made

20. A decision by the School relating to a request for a refund of fees will be provided to the student or Parent in writing and will set out the following information:
 - a. Factors considered when making the refund decision;
 - b. The total amount to be refunded; and
 - c. Details of non-refundable fees.
21. In the event the Student or the Parent is dissatisfied with a refund decision made by the School or is dissatisfied with the process the School followed when making the refund decision, they have the right to have the refund decision reviewed by the Study Complaints, Disputes Resolution Scheme.
