

Term 3

10-week program

Commencing 21st
July 2026

*Take your first step into the world
of aviation!*

✓ This program will include 3 training flights,
learning how to pre-flight an aircraft and
understanding the basics of how an
aircraft flies.

✓ Meet industry experts, including Pilots,
Engineers, Air traffic controllers, and
more.

✓ The program will include visits to
Christchurch Tower, Air NZ engineering
and aviation museums.
