Te Huruhuru Ao o Horomaka
Hornby High School

19 October 2026

E ngā mana, e ngā reo, e ngā hau e wha, nau mai, haere mai. Haere mai ki te kura, Te Huruhuru Ao o Horomaka.

Kia ora, Talofa lava, Mālō e lelei, Talofa ni, Fakaalofa lahi atu, Kia orana, Namaste, Ni sa bula vinaka, Halo ola keta. Warm greetings and welcome from the Hornby High School community.

Thank you for your enquiry about the permanent full time TIC Engineering/Metalwork teaching position. This position comes with 1MMA. Please state other specialty subject areas. The successful applicant must be able to teach up to Level 3 NCEA.This position will commence Term 1, 2027.

Hornby High School is a Yr 7-13 school. This was a decision we welcomed as whanaungatanga and consistency of relationships suit our community. The rebuild provides outstanding new facilities that have been designed to promote Creative Excellence. Central to this appointment is our continuing commitment to raising achievement for our Māori and Pasifika students.

We are continually exploring learning pedagogies. The school is a part of the Uru Manuka Cluster's Manaiakalani programme which uses the underlying pedagogy 'Learn, Create, Share' as the essential driver of learning.

Our school Values of Commitment, Achievement, Respect and Resilience are key to all that we do.

The application pack has the following documents to show the present and future culture of our school. Teaching as Inquiry is key to all that we do.

1. This cover letter
2. Job Description
3. Application form

You are asked to nominate three recent referees on the application form, one of these should be your current employer. These referees will be phoned or emailed.
