

2026 NCEA Assessment Week Timetable - Week 9, Term 3

In Week 9, from Monday 14th September until Thursday 17th September, we will be having an *NCEA Assessment Week*. During this time, normal classes will not run for our Year 11 - 13 students. Classes will run as normal for our Year 9 and 10 students.

Across these four days, for each of their subjects, Year 11 - 13 students may have:

- An external exam (e.g CAA for Literacy and Numeracy).
- A practice external exam, which provides a 'derived grade' for if a student misses the external exam at the end of the year (due to sickness or other adversity).
- An internal assessment, or opportunity to catch up on internal assessments.
- Another form of learning or assessment (e.g the PED101 class are going to Les Mills gym for a practical session).

Each day there will be **two assessment sessions**:

- A morning session **commencing at 8.45am**. This session will finish by 11.45am at the latest.
- An afternoon session **commencing at 12pm**. This session will finish by 3pm at the latest.

Students will be expected to:

- **Attend all** of the assessment sessions for their subjects. Attendance will be taken and monitored.
- Attend school in regular school uniform (unless advised otherwise).
- Revise at home when they do not have an assessment session (*not* at school). If a session finishes early, students are expected to leave the school site.
- Bring the correct equipment for their session. E.g pen, water bottle, medication etc.

Please find the NCEA Assessment Timetable below.

Monday 14th September	Class	Room	Monday 14th September	Class	Room
AM Session (8.45 - 11.45am)	ENG101 - SN	A11	PM Session (12 - 3pm)	DRA101 - GB	R5
	ENG102 - SW	Hall		DVC101 - CK	DVC1
