** Ground floor perspective*

Te Whare Ako

The House of Learning
This building houses Mathematics, Social Sciences, Languages, English Language Learning and Aukaha. and is a hub of learning. Deans and Careers are also here, to support Akonga in their learning Journey.

Te Whare Waiora

The House of Wellbeing
This Building encompasses all aspects of health, body, mind and spirit. It houses Health, Physical and Outdoor Education.

Te Whare Tapere

The House of Entertainment
This building is where all the performing art forms are situated and includes Te Puna, where they can be presented and displayed.

Te Whare Matauranga

The House of Knowledge
This building encompasses Senior Leadership Team, Reception, Te Marino - Guidance, Library, alongside Technologies, and Science. This is where education, understanding, knowledge and skills sit within Te Aratai.

Te Whare Kōrero

The House of Conversation and Collaboration
Kōrero is about collaboration and working together, giving our ākonga the opportunity to talk through their ideas and have conversations with kaiako and each other about their learning. In the 7 & 8 Tāhuhu programme both the teachers and Ākonga work collaboratively.

Te Whare Haumi

Translation
Haumi is the piece of wood that extends the waka. These buildings house English and Visual Arts and just as the Haumi extends the waka these building are an extension of our other Houses of Learning.
